

## Indra Networks Quick Install

### Step 1:

Find an Open PCI-X slot

### Step 2:

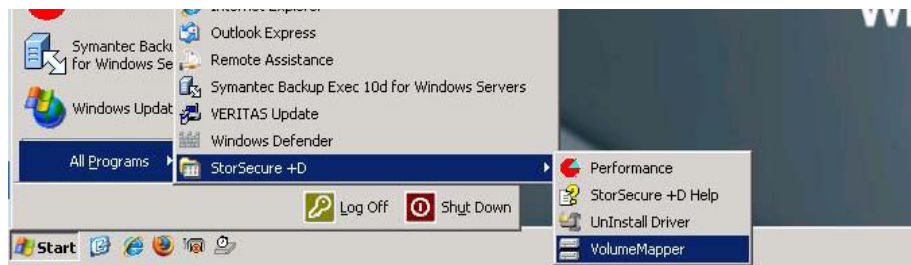

Insert card into PCI-X Slot and Power Up the System.

### Step 3:

Run the StorSecure D installer. After installation is complete, attach Mobile DataVault to ANY USB, FireWire or SATA port on your computer

### Step 4:

Run VolMapper.

### Step 5:

Map DataVault to desired Drive Letter for Compression and Encryption.
